LIFE SHOULD BE EASY

Designed to make every day a little simpler, EcoSport has convenience covered.

No more fumbling for your keys. With your key fob on you, simply open the door – it unlocks automatically.¹ Press the START/STOP button¹ to start the engine and you're away.

Even the lights are smart. EcoSport Titanium's headlamps sense when it's dark outside, and turn on automatically.² There's also Rear Parking Sensors to help guide you into tight spots and Front Parking Sensors on Titanium too.

It senses rain too. A sensor behind the rear-view mirror³ can detect moisture on the windshield. If it does, the wipers start automatically.²

KEYLESS ENTRY¹

AUTOMATIC HEADLAMP^{1,2}

RAIN-SENSING WIPERS^{1,2}

1. Titanium only. 2. Activation may not occur in all circumstances and feature does not replace the driver's judgement.

1. All performance data measured using 95RON fuel. 2. For optimal performance use fuel of 95RON or higher. 3. Fuel consumption and emissions as per ADR 81/02 (combined cycle) and to be used for vehicle comparison purposes only. It is unlikely that this fuel consumption figure will be achieved in real world driving conditions. Actual fuel consumption will depend on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, condition and use. 4. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. 5. Not all SYNC³ features are compatible with all phones. 6. Ford Applink[®] is available on selected SYNC³ models and is compatible with select smartphone platforms. Users must download an Applink-enabled app from the usual store to your iOS or Android smartphone. Requires phone to be connected to SYNC³ with genuine USB cable (Apple devices) or Bluetooth[®]. 7. Apple CarPlay is a trademark of Apple Inc. and Android[™] is a trademark of Google Inc. Apple CarPlay and Android Auto require phones with compatible versions of Apple iOS and Android[™] respectively, active data service and genuine USB cable (available separately). Message and data rates may apply. SYNC³ does not control Apple CarPlay or Android Auto while in use. Apple Inc. and Android[™] respectively are responsible for their functionality. Check your local road rules before using these functions. 8. MyKey[®] is not available on Trend models. 9. Bluetooth[®] is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. 10. Kerb mass includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with all standard equipment. Additional weight of optional features must be taken into account when calculating kerb mass. Overseas EcoSport Titanium shown.

ENERGY, LOTS OF ENERGY

With a bold new exterior design, EcoSport always looks like it's ready for action. That's because it is.

New front end. Same attitude. EcoSport's refreshed grille, hood and headlamps are sportier than ever.

The 17-inch Titanium alloy wheels do more than just look great. They're lightweight and extra-strong too.

MORE SPACE MORE LIFE

EcoSport makes every load manageable. But never at the cost of your comfort.

Flips, folds and fits everything. The Cargo Management System adapts to handle almost any weekend-sized load – up to a colossal 1178 litres.

A new centre console features an armrest with integrated storage. We added a retractable armrest with cupholders in the backseat of Trend and Titanium models too.

Enjoy peaceful cabin quietness, no matter how loud your city gets. We even made the tyres quieter!

17" alloy wheels.
Titanium model only.

Titanium model shown.

IN TUNE WITH YOUR CITY

The enhanced SYNC®3¹ system puts the city at your fingertips.

Keep your hands on the wheel, and your eyes on the road. Use simple voice commands to make calls, listen to text messages and play your favourite music.

Integrate your smartphone with SYNC®3¹ for hands-free control of your favourite apps via Apple CarPlay², Android Auto² or ApLink®³.

The 8-inch touchscreen on Trend and Titanium is smarter than ever, with integrated satellite navigation and intuitive smartphone-like actions, like swipe control and pinch-to-zoom.

Parking is a cinch with a Rearview Camera that turns on automatically whenever you shift into reverse.

Automatic climate control air conditioning on Titanium allows you to set the perfect cabin temperature.

MOVE FREELY

Drive with confidence. Dynamic Stability Control⁴ automatically adjusts torque and braking power for enhanced traction and handling when you need it most.

Elevated ride height lets you see more of what's going on around you. Plus it's never been easier to get in and out thanks to the perfectly positioned seats.

Perfect hill starts. Every time. Take your foot off the brake pedal and Hill Launch Assist⁴ will hold the brakes for up to 3 seconds. You never have to worry about rollback again.

1. Not all SYNC®3 features are compatible with all phones. For compatibility, see ford.co.nz. 2. Apple CarPlay is a trademark of Apple Inc and Android™ is a trademark of Google Inc. Apple CarPlay and Android Auto require phones with compatible versions of Apple iOS and Android™ respectively, active data service and genuine USB cable (available separately). Message and data rates may apply. SYNC® does not control Apple CarPlay or Android Auto while in use. Apple Inc and Android™ respectively are responsible for their functionality. 3. Ford ApLink® is available on selected SYNC® models and is compatible with select smartphone platforms. Users must download an ApLink-enabled app from the usual store to your iOS or Android smartphone. Requires phone to be connected to SYNC®3 with a genuine USB cable (Apple devices) or Bluetooth® (Android devices). 4. Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions.

GO FURTHER FASTER

Big performance is in. Regular visits to the fuel station are out.

Paddle Shifters on the steering wheel of Titanium provide extra adaptability.

EcoSport's 6-speed automatic transmission delivers better fuel economy, quieter operation and less vibration.

Set your cruising speed. Then sit back and relax. EcoSport's cruise control maintains your speed for you.¹

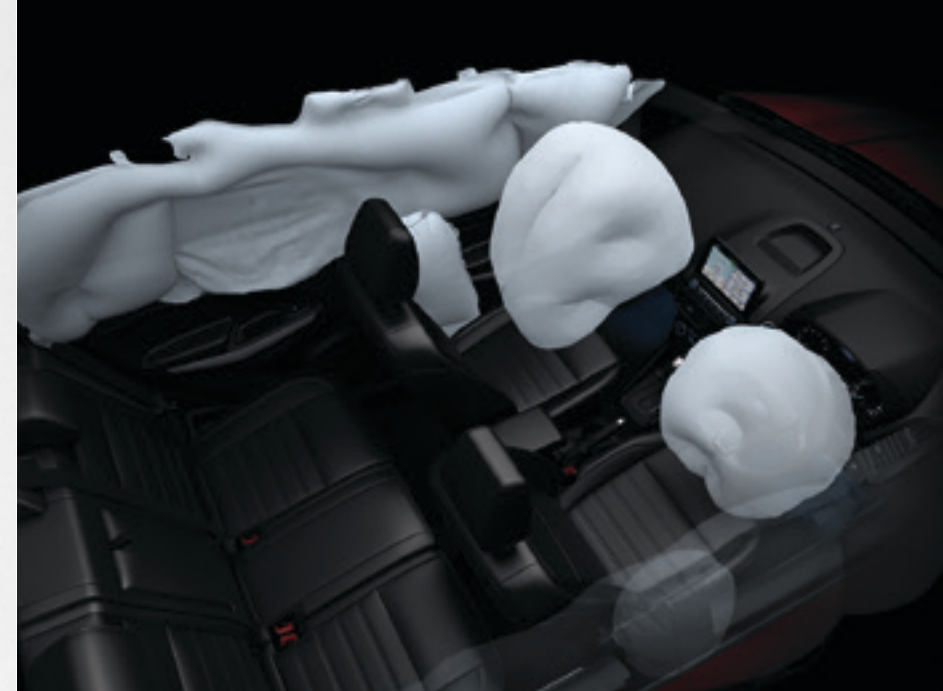

1.0L

Turbo Petrol EcoBoost
Power: 92kW²
Torque: 170Nm²
Fuel Economy: 6.7L/100km³

The six-time sub-1.0L International Engine of the Year featured in Trend and Titanium models delivers the fuel economy you need, with the power you want.

1. Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. 2. All performance data for petrol measured using 95RON fuel. 3. Fuel consumption and emissions as per ADR 81/02 combined cycle and to be used for vehicle comparison purposes only. It is unlikely that this fuel consumption figure will be achieved in real world driving conditions. Actual fuel consumption will depend on many factors including the driver's habits, external conditions and the vehicle's equipment, condition and use.

PEACE OF MIND WHEREVER YOU GO

EcoSport's safety features do more than just protect you. They help prevent the need for protection in the first place.

Five stars for safety. Drive with extra confidence knowing EcoSport has a full 5-star ANCAP safety rating.

All-round protection. Seven airbags, including side and curtain airbags, help keep you safer in a collision.

You'll never be 'blinded by the light' thanks to EcoSport Titanium's electrochromatic rear-view mirror, which darkens whenever a vehicle shines its headlights on it.
