

Go Further

BE UNSTOPPABLE

PERFECTLY POISED &
READY FOR ANYTHING

Bold. Sporty. Refined. The New Escape's exterior design stands out from the rest – whether in the city or on a long trip. From bumper to bumper, this small SUV was built to inspire fun and adventure.

Escape Titanium model shown.

IN TUNE WITH YOUR LIFE

When creating Escape's interior, Ford designers had one lofty goal: Create the perfect sized cabin, a space that is completely intuitive to your needs.

Bring the outdoors in, at the touch of a button. Taking up almost 50% of your roof space, the panoramic glass roof brings the outdoors in, at the touch of a button!¹

Charge your devices on the go and securely stow your essentials with Escape's cleverly designed centre console and media bin.

Extra space for... well, almost anything. Fold down the versatile 60/40 split rear seats to accommodate all types of loads.

Live life in colour. Choose between seven colours and bring ambient lighting to foot wells, door pockets and door handles!

Extra set of eyes. The Escape's wide-angle reverse camera automatically activates when the reverse gear is selected. It gives you a clear view of what's behind you and takes the guess work out of reversing.

1. Available on Titanium model only.

SMART MEETS STYLE

The Escape is a showcase of Ford innovation. Sync to your favourite apps like Spotify and Pandora¹ on the 8 inch capacitive touchscreen. The intuitive SYNC[®]3 system is smart and simple. With enhanced voice control and updated commands, even your kids can talk to it.

Say goodbye to the stress of parallel and perpendicular parking. First Active Park Assist^{2,3} helps you find a park. It then helps to steer you in and even out while you work the gears, accelerator and brake.

Goodbye traditional handbrake. Hello extra space. Escape's electronic parking brake allows you to park securely with the touch of a button.

With Lane Keeping Aid,^{2,4} the steering wheel vibrates to warn you if it detects that you inadvertently drift too close to a lane marker. If you still don't react, Lane Keeping Aid can automatically apply steering torque to guide you back into your lane.

Packing made easy. Kick your foot under the rear bumper and the Hands-Free Power Tailgate² opens and closes automatically.

Worry-free hill starts. Take your foot off the brake pedal and Hill Launch Assist³ holds the brakes for a few seconds, giving you ample time to smoothly accelerate away.

THE WORLD AT YOUR FINGERTIPS

Escape's SYNC®3¹ system is more intuitive than ever, helping you stay connected on the go.

Use conversational voice commands to make hands-free phone calls and listen to text messages².

Seamlessly integrate your smartphone through Apple CarPlay,TM3. AndroidTM Auto⁴, or ApplinkTM5. for hands-free control of your favourite apps².

The 8-inch capacitive touchscreen features a redesigned interface that supports smartphone-like actions, such as swipe and pinch-to-zoom.

Are your kids old enough to borrow the car? Program Escape's MyKey to limit top speed and regulate stereo volume.

Apple CarPlay™ screen shown.

Android™ Auto screen shown.

1. Not all SYNC® 3 features are compatible with all phones. 2. Warning: Local laws prohibit some or all of the text messaging functions while driving. Check your local road rules before using these functions. 3. Apple CarPlay requires phone with compatible version of Apple iOS, active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay while in use. Apple is solely responsible for their functionality. Message and data rates may apply. Apple CarPlay,™ Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. 4. Android Auto requires a phone with a compatible version of Android, an active data service and a connection cable (sold separately). SYNC® does not control Android Auto while in use. Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Android Auto and Google Maps are trademarks of Google Inc. 5. Ford Applink™ is available on selected SYNC® models and is compatible with select smartphone platforms.

DRIVE WITH TOTAL CONFIDENCE

Nothing is more important than your safety. So when it's time to come out and play, Escape gives you the confidence to say, "Let's go!"

Safety in numbers. Escape's seven airbags – including side curtain airbags – offer 360-degrees of protection for both front and backseat passengers.

Safe Travels. The Escape gives you piece of mind with a 5-Star ANCAP Safety Rating and some of the most advanced safety features available.

Escape Titanium shown.

BI-XENON HID HEADLIGHTS

BLIS

PEACE OF MIND LOTS OF IT

The new Escape range delivers a suite of advanced driver assist features, so you can focus on the journey ahead and leave your worries at home.

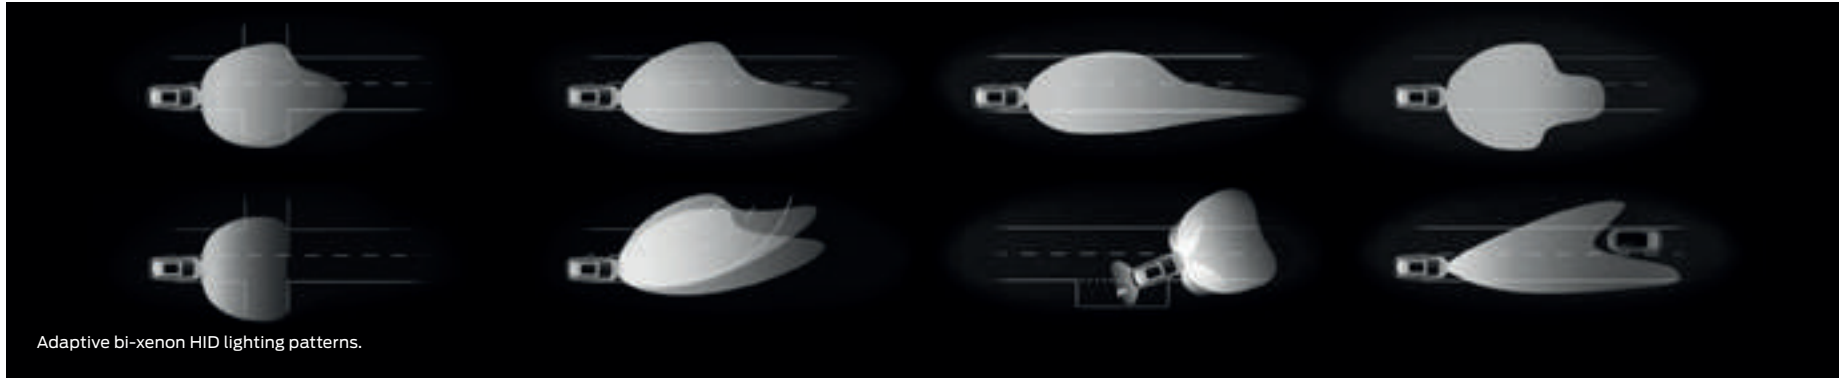

See what you can't see. Blind Spot Information System (BLIS)^{1,2} is designed to detect when a vehicle enters your blind spot and alerts you with a warning light in your side mirror.

Active City Stop.^{1,3} At speeds of up to 50 km/h, Active City Stop can detect if the car in front unexpectedly stops and can automatically apply the brakes to help avoid a rear-end collision.

See more at night. Adaptive Bi-xenon HID headlights⁴ can adapt beam patterns for optimal illumination of changing road conditions. They even help you see around corners by directing light into a bend when you turn.

Forward Alert and Enhanced Collision Warning.^{1,4} can help to mitigate rear-end collisions by alerting you and automatically applying the brakes if you don't react when it detects an accident is imminent.

Adaptive Cruise Control.^{4,5} Cruise Control is great on the open road. But, even here, you can find traffic. So instead of having to turn Cruise Control on and off, the Adaptive Cruise Control adapts. If it senses traffic is slowing, it slows. When the traffic clears, it goes back to your pre-set speed.

Adaptive bi-xenon HID lighting patterns.

ADAPTIVE CRUISE CONTROL

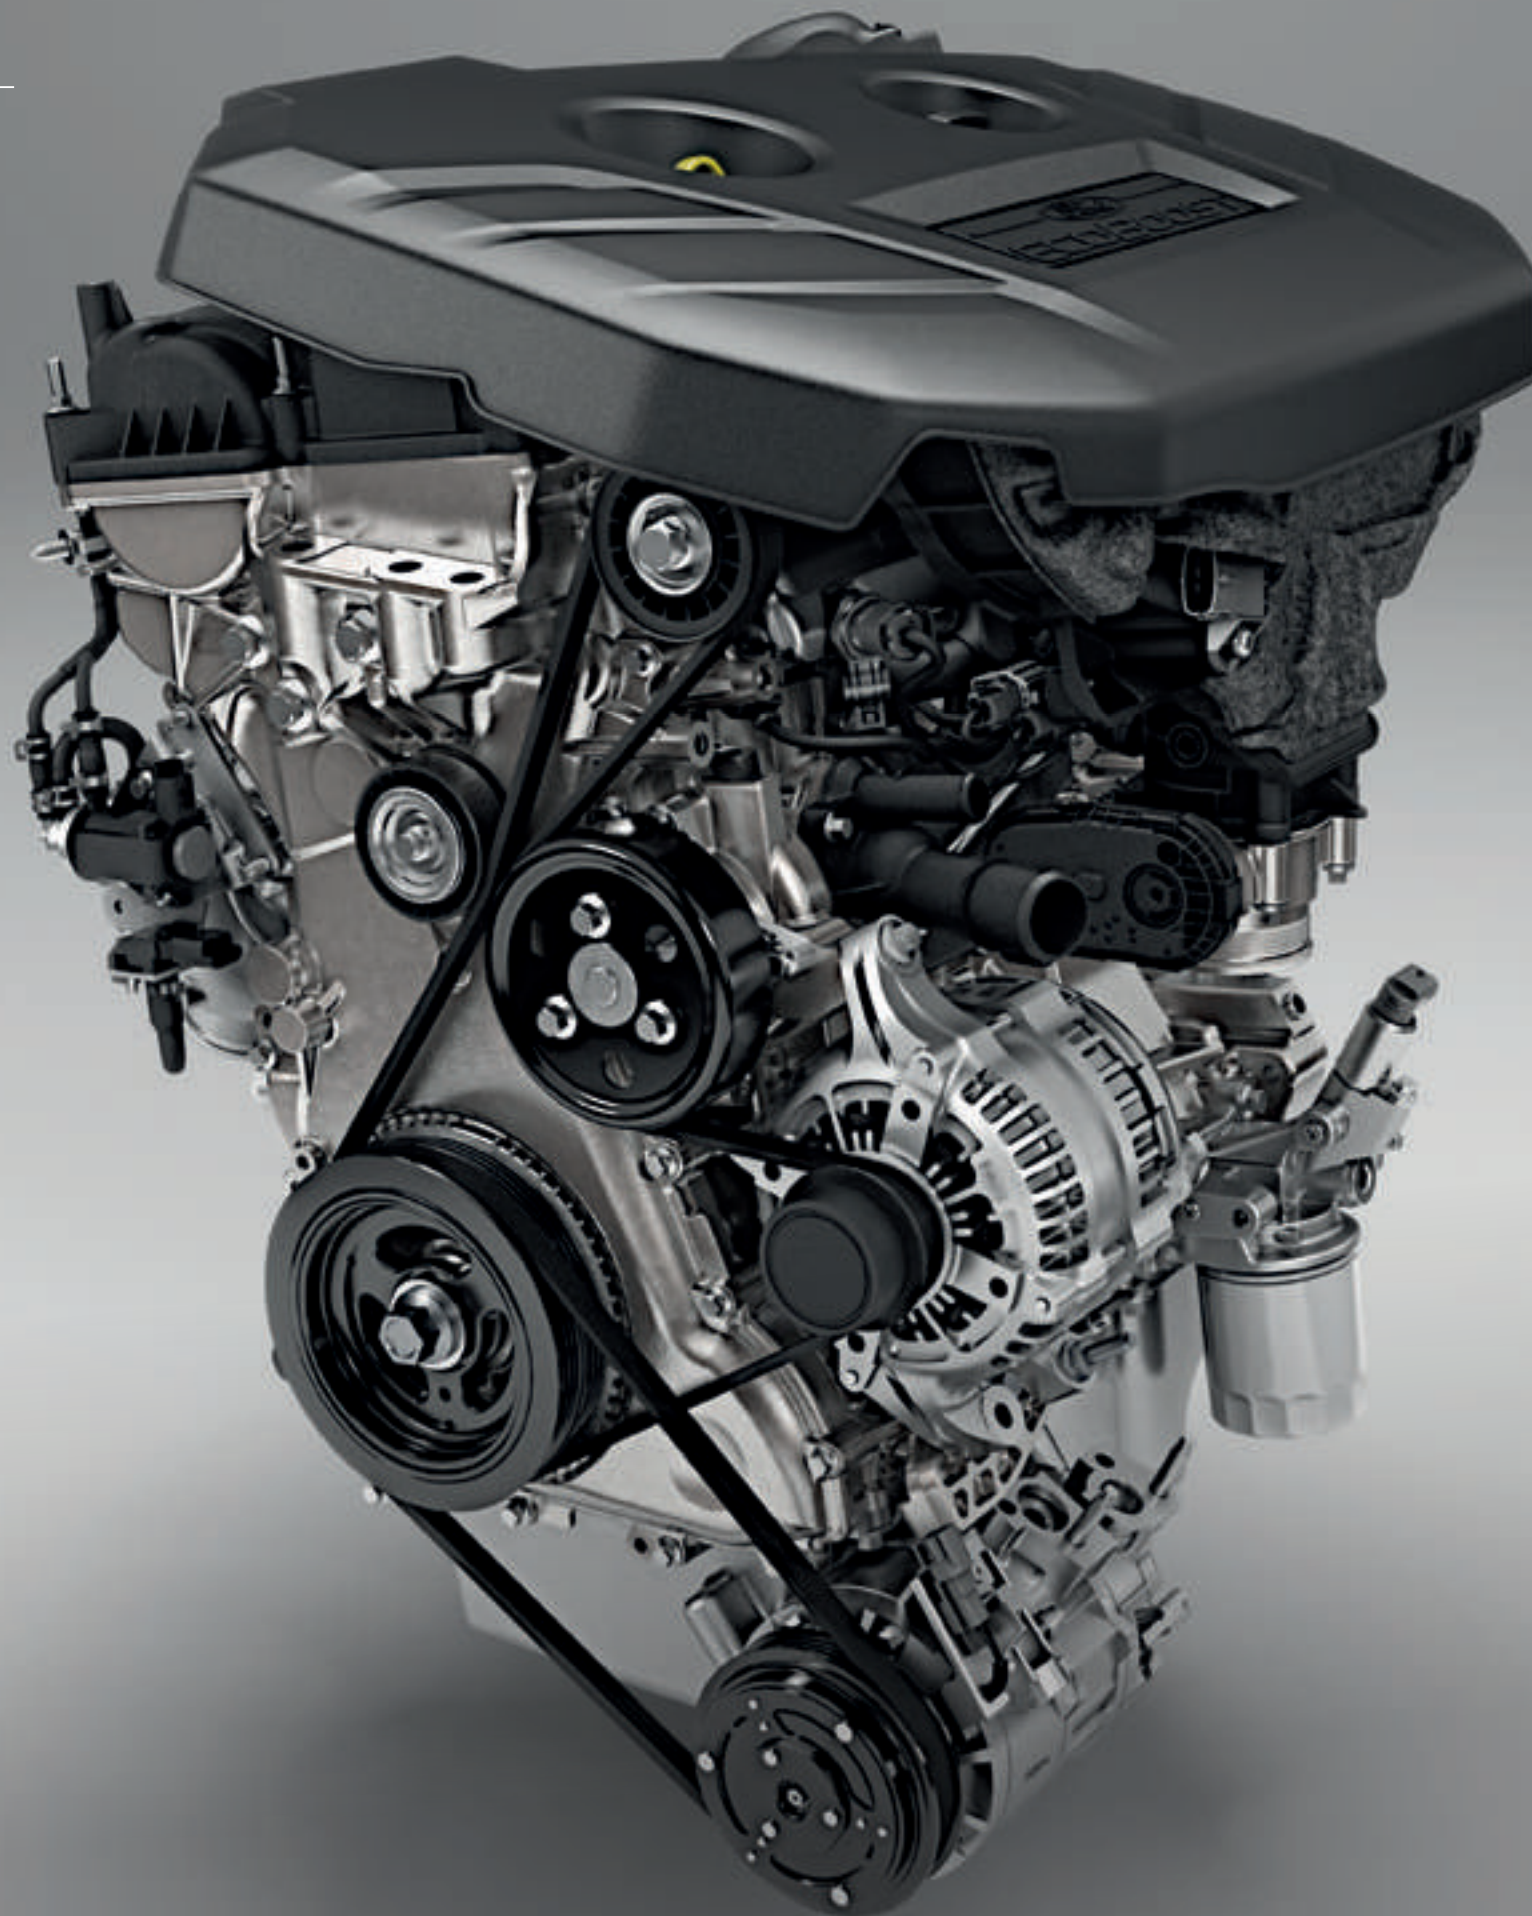

ACTIVE CITY STOP^{1,2,3}

1. Driver assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. Driver-assist features may not operate in some driving and road conditions or adverse weather.
2. Available on Trend and Titanium models only. 3. Designed to operate at speeds above 10km/h. 4. Available on Titanium Model only. 5. Adaptive Cruise Control with Collision Warning is a driver-assistance feature which is supplemental and does not replace the driver's judgement. Function may not operate in some driving and road conditions or adverse weather. Adaptive Cruise Control with Forward Alert and Enhanced Collision Mitigation is a driver-assistance feature which is supplemented and does not replace driver's judgement. Function may not operate in some driving and road conditions or adverse weather.

POWER TO DO MORE

Escape's 1.5L EcoBoost™ and twin-scroll 2.0L EcoBoost™ engine options combine turbocharging and direct injection technology to maximise power, while helping you save on fuel. Enjoy all the low-end torque you could ever need to effortlessly tow and haul a load.

1.5L
EcoBoost
Power 134kW
Torque 240Nm

2.0L
EcoBoost
Power 178kW
Torque 345Nm

LET CURIOSITY BE YOUR GUIDE

Responsive, nimble, and more than capable of tackling tough road conditions – almost nothing is off limits to Escape. A host of fuel-saving technologies designed to ensure you'll spend more time exploring and less time at the fuel pump.

An Active Grille Shutter opens and closes to reduce aerodynamic 'drag' and help cool the engine.

Make smooth, effortless gear changes and have more fun driving with the racing-car inspired Paddle Shifters on Escape's steering wheel.

Intelligent All-Wheel Drive¹ For greater control in challenging conditions, the intelligent All-Wheel Drive system is designed to monitor Escape's performance and adjusts the delivery of torque to each wheel every 16 milliseconds.

Once every 16 milliseconds. That's how rapidly the Intelligent All-Wheel Drive¹ can adjust torque delivery to each wheel for greater control in challenging conditions.

Designed for all life's twists and turns. For enhanced control on winding roads, Torque Vectoring Control transfers torque to the wheels with the most grip.

Why waste fuel at idle? Escape knows when you're stopped in traffic and shuts down the engine automatically.² Press your foot on the accelerator and the engine restarts.

1. Available on AWD models only. 2. Deactivation does not occur in all circumstances.

Making your ownership experience even more rewarding

A great car is just the beginning. After you've bought your New Escape, we support you with a wide range of services that aim to make you one of the most satisfied vehicle owners in New Zealand.

Quality

We design and build your Ford to feel as good after many years of service as it did the day you picked it up. And to drive just as beautifully, too.

Sustainability

Using advanced technology, we're committed to creating vehicles with improved fuel economy, reduced CO₂ emissions and a lower overall cost of ownership.

Safe

Ford's Intelligent Protection System uses sophisticated technology designed to help prevent an accident and, if one should happen, to protect you.

Smart

Cars that park themselves, windscreen wipers that know when it's raining – just some of the many clever solutions from Ford that make life a little easier.

3 Year/100,000km Warranty¹

Covers your Escape against defects in factory materials or workmanship for the first 36 months or 100,000 kms – Whichever comes first.

20,000 kms Service Intervals¹

Improved oil technology and engineering refinement has enabled Ford to offer normal scheduled service intervals of 20,000 kms or every 12 months whichever comes first.

Ford Roadside Assistance¹

For the first 36 months, Ford gives New Escape owners complete peace of mind motoring with New Zealand's most reassuring roadside emergency service. Free accommodation or a free rental car are just some of the outstanding features of this unique service.

Five Year Perforation Corrosion Warranty¹

Covers the original vehicle's body against perforation corrosion for the first five years of its life.

Ford Customer Assistance Centre

You'll always find us responsive to your needs. Telephone 0800 FORD NZ (0800 367 369).

Finance and Lease Options

Choosing how to finance your vehicle is a major decision – My Ford Finance can get you the Ford you want, when you want it. Fully maintained or non-maintained operating leases remove the worry

of depreciation, inflation and more importantly do not tie up your capital in an asset. Other forms of financing are also available. Flexible deposits and repayment terms mean that a plan can be structured for your specific needs. See your Ford Dealer to discuss your financing or leasing requirements.

Ford Solutions

You deserve to have a worry-free journey every time you set off in your Ford. Ford Solutions provides you with a 'no problems' solution tailored to suit your lifestyle. The range of services includes:

- Motor Vehicle Insurance – Three levels of cover offer you hassle-free insurance coverage
- Guaranteed Asset Protection (GAP) Insurance – Provides cover for the 'gap' between the value of your insurance payout and the amount owing on your finance or lease agreement
- Payment Protection Insurance – Helps protect your payments against unforeseen circumstances, such as redundancy, illness and death
- New Vehicle Extended Mechanical Breakdown Insurance – Acts as an extension of your original Ford warranty
- Extended Roadside Assistance – Extends the premium roadside assistance which is standard on new Ford vehicles

Simply call in and see your participating Ford Dealer today.

¹. Conditions apply. Further information on these warranties and services may be obtained from your authorised Ford Dealer.

This brochure was designed to provide you with a general introduction to the Ford Escape. However, Ford's policy is one of continuous product development. The right is reserved to change specification, colours and prices of the models and items illustrated and described in this publication at any time. Seat fabric, stitching and colour is subject to change. For the latest details always consult your Ford Dealer.
