FREEDOM IS WAITING

The extraordinary 2.0L Bi-Turbo 10-speed Auto that delivers 157kW of power and 500Nm of peak torque, with greater engine refinement and better fuel economy. The Everest is ready to discover what lies beyond the road's end.

Active Park Assist²

Need help getting the perfect park? At the press of a button, Active Park Assist not only helps you find the right size parking spot, it steers itself in.

Safety – Seven Airbags

Protection is key to your peace of mind. The airbags in the Everest provide a network of protection with front seat driver and passenger airbags and seat-mounted side airbags.

2.0L Bi-Turbo

Don't settle for less. The new 2.0L Bi-Turbo engine delivers more power than ever to conquer any terrain. Intelligently managing two turbos for enhanced torque, responsiveness and power.

Big Towing Capacity³

Be ready for any task, no matter how big. Everest with the new Bi-Turbo diesel engine can now tow even heavier loads with a maximum rated towing capability of 3,100kg.

Keyless Entry & Push Button Start

Set off without ever taking the key out of your pocket. Just open the door to unlock the Everest and press a button to start the engine.

Panoramic Power Sunroof

Open up your world and experience life under clear blue skies with a glass panoramic sun roof that comprises nearly 50% of the Everest roof space and a powered sun blind.

SYNC³ with Apple CarPlay & Android Auto⁶

Ford SYNC³ is designed to integrate seamlessly with your compatible smartphones, letting you control everything from calls to music and satellite navigation.

3rd Row PowerFold Seats

3rd row PowerFold seats make it easy to find some extra space at the press of a button, folding flat to give you a stable surface.

10-Speed Auto Transmission

Hop in and get out there. Ford's latest transmission technology not only improves fuel efficiency but offers better acceleration and more accurate, quicker gear changes too.

Terrain Management System^{4,5}

Tackle any surface, on-road or off, at the turn of a dial. Terrain Management System models lets you shift-on-the-fly to maximize traction and stability whether you're on snow, mud, grass, sand, rock or road.

Pre-Collision Assist with Pedestrian Detection (Autonomous Emergency Braking)²

This feature is designed to scan the traffic ahead and warn you if it senses the possibility of a collision with traffic or pedestrians. If a collision is likely, it can apply the brakes.

Hands-Free Power Lift Gate

Hands full? Simply trigger the sensor under Everest's rear bumper with a swing of your foot. The hands-free lift gate will open and close automatically.

Total Comfort

The Everest's interior is designed to get you and everything you need comfortably from A to B and beyond.

Total Comfort

The Everest's interior is designed to get you and everything you need comfortably from A to B and beyond.

ONE EPIC SUV

Our most adventurous SUV is now more advanced. Introducing the 2019 Ford Everest. Incredibly dynamic on the road and right at home off-roading it. The design is bolder and more aerodynamic on the outside, while inside the tech is smarter and the addition of a new 2.0L Bi-Turbo Diesel with 10-speed automatic transmission takes power and fuel efficiency to the next level. So get ready to free your SUV and see what this Everest can really do.

Maximum Towing Capacity – Braked³	3100
Payload⁸	572
Ground Clearance	225
Water Wading Ability¹	800
Transmission	
10-Speed Automatic Transmission	S

S = Standard

1. Maintaining a steady speed of not more than 7km/h. 2. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather. 3. Maximum towing capacity using a Genuine Ford tow pack. To comply with these limits, occupants and / or luggage may need to be restricted. For further details regarding passenger and luggage restrictions, please consult your authorised Ford Dealer and / or refer to the Owner's Manual. 4. The driver is responsible for assessing off-road situations, determining if the terrain is passable and using appropriate off-road driving techniques. 5. To activate Rock mode, the vehicle must be stationary and in 4WD low range. Mud, Grass or Snow mode does not replace the need to fit chains if required. 6. Apple™ and Apple CarPlay™ are trademarks of Apple Inc., registered in the U.S. and other countries. Android™, Android Auto™ and Google Maps™ are registered trademarks of Google Inc. Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. 7. Not all SYNC¹ and SYNC³ features are compatible with all phones. For compatibility, see ford.co.nz/sync. 8. Payload is defined as the Gross Vehicle Mass minus the kerb mass. Payload is the maximum combined value of occupants, cargo, added options, added structures and tow ball download (when towing). GVM must not be exceeded. 9. Proper functioning requires use of Diesel Exhaust Fluid (AdBlue®) which must be refilled periodically. 10. Bluetooth® is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. 11. The results are obtained from controlled laboratory tests conducted by Ford Motor Company to Australia Design Rule ADR81/02 and are to be used for vehicle comparison purposes only. The actual fuel consumption and emissions you will achieve will depend, however, on many factors including the driver's habits, prevailing conditions and the vehicle's equipment, condition and use. 12. Kerb Weight includes the vehicle with a full tank of fuel, without occupants, luggage or cargo and with all standard equipment. Additional weight of optional features must be taken into account when calculating kerb weight.

* Warranty conditions and exclusions apply. 5 year/Unlimited km Ford Express New Vehicle Warranty applies to Everest vehicles from 1 July 2018. 5 year/Unlimited km Ford Express New Vehicles Warranty applies to demonstrator, dealership and service loaner Everest vehicles first registered by the Authorised Ford Dealer from 1 July 2018. Warranty period commences on the date of delivery except where the vehicle is a dealership, demonstration or service loaner vehicle, in which case it commences on the date on which it was first registered by an Authorised Ford Dealer. Tyres and tyre tubes are excluded. Shock absorbers and batteries are subject to shorter warranty periods. www.ford.co.nz/owners/warranty for further information.

** Conditions apply. Further information on these warranties and services may be obtained from your Authorised Ford Dealer. Available annually at participating dealers with scheduled logbook services for up to 7 years (but no later than 30 September 2024). For private, business and fleet customers. For vehicles fitted with SYNC®2 or SYNC®3 satellite navigation. Vehicle model availability may vary. Available at participating dealers on scheduled logbook services or overnight warranty repairs. For private, business and fleet customers. Booking required. Participating Dealers may require customers to comply with general usage conditions.

This brochure was designed to provide you with a general introduction to your Everest and was correct at time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer.

FORD MOTOR COMPANY OF NEW ZEALAND LIMITED. Private Bag 76-912, Manukau City, New Zealand. Printed September 2018. FOR5596

5 Year / Unlimited km Warranty*
Covers your new Ford Everest against defects in factory materials or workmanship for the first 60 months.

15,000 kms Service Intervals**
Normal scheduled service intervals of 15,000 kms or every 12 months, whichever comes first.
