

FORD SERVICE

Our Commitment to You

Convenience. Reliability. And no nasty surprises. That's what service should be. And that's exactly what Ford promises when you have your car serviced. Feel at ease knowing that your car is being serviced by factory trained technicians using specialised diagnostic equipment. After all, nobody knows your Ford better than we do.

Five Year / 150,000 Kilometre Warranty

Covers your new Ford Ranger vehicle against defects in factory materials or workmanship for the first 60 months or when the total distance travelled by your new Ford Ranger vehicle reaches 150,000 kilometres - whichever occurs first. For details about this warranty please visit: www.ford.co.nz/owners/warranties

Ford Roadside Assistance²

For the first 36 months (unlimited kms), Ford gives Ranger owners complete peace of mind motoring with New Zealand's most reassuring roadside emergency service. Free accommodation or a free rental car are just some of the outstanding features of this unique service.

Service Experience

Speak to your participating Ford Dealer today about how we can help you make the most out of your vehicle experience.

15,000 kms Service Intervals²

Improved oil technology and engineering refinement has enabled Ford to offer normal scheduled service intervals of 15,000 kms or every 12 months, whichever comes first.

Loan Car Programme⁴

So we can keep you on the road when you're getting a scheduled service you can take advantage of our Loan Car Programme.

Sat Nav Map Updates³

Never lose your way again with the latest map data for your Satellite Navigation system. If your vehicle has SYNC[®] 2 or SYNC[®] 3 with Satellite Navigation, you'll receive yearly map updates until September 2024 with your scheduled servicing.

Ford Customer Assistance Centre

You'll always find us responsive to your needs. Telephone 0800 FORD NZ (0800 367 369).

Finance and Lease Options

Choosing how to finance your vehicle is a major decision. My Ford Finance can get you the Ford you want, when you want it. Fully maintained or non-maintained operating leases remove the worry of depreciation, inflation and, more importantly, do not tie up your capital in an asset. Other forms of financing are also available. Flexible deposits and repayment terms mean that a plan can be structured for your specific needs. See your Ford Dealer to discuss your financing or leasing requirements.

1. Warranty conditions and exclusions apply. 5 year/150,000 km Ford Express New Vehicle Warranty applies to MY2019 Ranger vehicles from 1 September 2018. 5 year/150,000 km Ford Express New Vehicles Warranty applies to demonstrator, dealership and service loaner 2019MYRanger vehicles first registered by the Authorised Ford Dealer from 1 September 2018. Warranty period commences on the date of delivery except where the vehicle is a dealership, demonstration or service loaner vehicle, in which case it commences on the date on which it was first registered by an Authorised Ford Dealer. Tyres and tyre tubes are excluded. Shock absorbers and batteries are subject to shorter warranty periods. www.ford.co.nz/owners/warranty for further information.
2. Conditions apply. Further information on these warranties and services may be obtained from your Authorised Ford Dealer.
3. Available annually at participating dealers with scheduled logbook services for up to 7 years (but no later than 30 September 2024). For private, business and fleet customers. For vehicles fitted with SYNC[®]2 or SYNC[®]3 satellite navigation.
4. Vehicle model availability may vary. Available at participating dealers on scheduled logbook services or overnight warranty repairs. For private, business and fleet customers. Booking required. Participating Dealers may require customers to comply with general usage conditions.

This brochure was designed to provide you with a general introduction to your Ranger and was correct at time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. FORD MOTOR COMPANY OF NEW ZEALAND LIMITED. Private Bag 76-912, Manukau City, New Zealand. Printed September 2018. FOR5610

TOUGH DONE SMARTER

The 2019 Ranger is here, it's tough, capable and ready to work. With a striking new design, formidable range of engines, and smarter state-of-the-art technology and safety, Ford New Zealand's most advanced pick-up just got even better.

3.2L Diesel Engine

Tried, tested and trusty. Boasting 147kW of power and 470Nm of torque, the 3.2L 5 cylinder diesel engine delivers all the power you would expect, with incredible fuel efficiency.

Bi-Turbo Engine

The epitome of tough done smart. Combining high grade alloy materials to ensure durability at higher temperatures, the two turbo chargers work together with the advanced 10-speed auto to allow for greater torque, better fuel economy and lower noise levels, with the reliability and robustness expected from a Ranger.

Notes

Pre-Collision Assist with Pedestrian Detection^{1,8}

Combining camera and radar sensors that see the road ahead, this AEB system is designed to help detect and mitigate frontal collisions with vehicles and vulnerable road users like pedestrians and cyclists by automatically applying the brakes.

Tailgate with Lift Assistance²

You've got enough heavy lifting to do. Load your Ranger pick-up with greater ease, thanks to the Tailgate with Lift Assistance that now requires 70% less effort to close.

Semi-Auto Active Park Assist^{1,7}

Not only will this system use ultrasonic sensors to help you find a suitable parallel park, it will steer you in automatically, while you focus on the accelerator and brake.

SYNC³ with Apple CarPlay & Android Auto^{3,6}

Use voice commands to locate your next worksite, make hands-free phone calls and listen to text messages. Connect your compatible smartphone through Apple CarPlay, Android Auto or Applink[®] for hands-free control of your favourite apps.

Smart Keyless Entry & Push Button Start⁷

Get in and out without taking your keys out of your pocket, coat or bag. When the intelligent access system detects your key, you can get going at the push of a button.

LED Lighting⁷

Cool LED signature Daytime Running Lights help you see and be seen clearer than ever before. Ranger Wildtrak even comes with LED Fog Lamps which outperform halogen lights in both brightness and efficiency.

3.5 Tonne Towing⁴

With up to 3,500kg braked towing capacity and 6,000kg gross combined mass in conjunction with Trailer Sway Control, you'll be able to handle big loads with confidence.
