DRIVE AWAY WITH PEACE OF MIND, KNOWING WHAT THE ROAD AHEAD HOLDS

With Ford Assured Future Value, great finance is just the beginning.

It's affordable – your regular repayments are set and Ford Assured Future Value helps you get into a new vehicle for less.

It's flexible – choose your contract term, agree your kilometre allowance and at the end of your term (provided certain conditions are met) you have three great options, meaning you can enjoy a new Ford more often.

It's assured – with after-sales care to keep ownership costs low and peace of mind in terms of your vehicle's future value (provided the return conditions are met).

So, why not speak to your Ford dealer about the details, or visit us at ford.co.nz/assured, and take advantage today?

Ford Assured Future Value. It means confidence moving forward.

Ford

DRIVE INTO THE FUTURE WITH CONFIDENCE

Ford Assured Future Value is available on selected vehicles only through My Ford Finance. My Ford Finance is only available through UDC Finance Limited. UDC Finance standard terms, conditions, lending and credit criteria apply to any UDC loan. UDC Finance Assured Future Value terms and conditions apply. If these conditions are not met, the option to return the vehicle for the assured future value at the end of your contract may not be available and the outstanding loan must still be repaid in full.

Go Further

INTRODUCING FORD ASSURED FUTURE VALUE. ENJOY YOUR NEXT FORD ON YOUR TERMS.

With Ford Assured Future Value you'll have a flexible finance solution that gives you peace of mind from the moment you get your new vehicle. And your next one. Not only will you have the certainty of low fixed repayments, you'll also have three great options at the end of your agreed term. Plus you can renew at any time. It all means you can enjoy a new Ford more often.

Put yourself in the driver's seat

With Ford Assured Future Value you'll have a hassle-free finance agreement plus an assurance you can count on the moment you drive away. Here's how it works:

1. Start by selecting the model you want
2. Choose the contract term which suits you best (36 months or 48 months)
3. Next, agree the annual kilometre allowance (15,000 or 20,000 km per year)
4. Choose your deposit amount (which also gives you the option to reduce your repayments to fit your budget)
5. We'll then calculate the assured future value based on the total kilometre allowance and your chosen contract term.

With Ford Assured Future Value, your regular repayments will be less, as your repayments don't include the future value (your repayments are based on the cost of the car minus the deposit amount and assured future value).

Feel even better down the road

So, with Ford Assured Future Value **you'll be driving your way**, on your terms, thanks to a contract featuring an interest rate fixed for the term of the loan and set repayments. And **you'll have peace of mind** because you'll know what lies ahead. But that's just the beginning, because you can also upgrade or refinance if you choose.

Then, when you're finished, why not start a new adventure?

At the conclusion of your agreed term you'll have freedom to select a new option to suit you:

Renew – if you'd like to upgrade to a new Ford, the equity you've built up will contribute towards your new Ford.

Retain – if you'd like to own your vehicle at the end of your agreed term you can negotiate a new finance agreement or pay the balance to buy it outright.

Return – if you decide to return the vehicle, then provided you've made all your regular payments, the vehicle meets fair wear and tear and is within the agreed kilometre allowance, you won't need to pay the final payment, just the return fee.
